

When all the laughter dies in sorrow
And the tears have risen to flood
When all the wars have found a cause
In human wisdom and in blood
Do you think they'll cry in sadness
Do you think the eye will blink
Do you think they'll curse the madness
Do you think they'll even think

When all the great galactic systems
Sigh to frozen halt in space
Do you think there will be some remnant
Of beauty of the human race
Do you think there will be a vestige
Or a snuffle or a cosmic tear
Do you think a greater thinking thing
Will give a damn that man was here

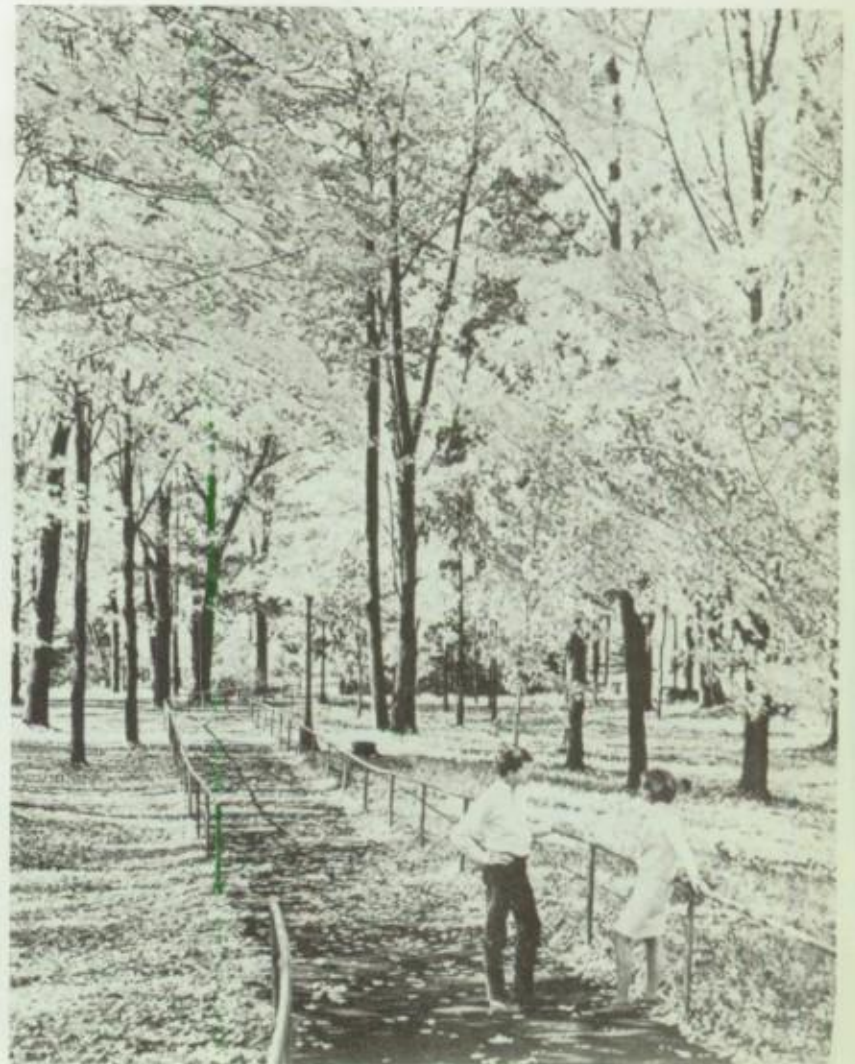

The Quiet of Winter

The Fresh of Spring

The Crisp of Fall

The Freedom of Summer

Tuesday morning — August 24, 1971. It's starting all over again with KMHS opening her doors for the beginning of another school year. The halls quickly fill with students eager to share their experiences during the summer vacation. Schedules are issued, and it is time to get down to work. It is time to put aside the happy memories of the past, and begin looking to the future and what lies there for each of us. Some students eagerly anticipate the new year while others may be reluctant to do so because for them it is their last year.

The halls quickly fill with students eager to share their experiences during the summer vacation. Schedules are issued, and it is time to get down to work. It is time to put aside the happy memories of the past, and begin looking to the future and what lies there for each of us. Some students eagerly anticipate the new year while others may be reluctant to do so because for them it is their last year.

At first the freshmen feel insecure and out of place. After a while they begin to feel more relaxed and eventually the upper classmen begin to accept them as fellow students. This is an important time in their lives. They

are young enough to make changes in their lives if necessary. Many doors remain to be opened for them, and they are in a position to profit from the mistakes of the upper classmen.

The sophomores are no longer "punk freshmen". What a relief! But What are they now? A year older? Yes. A tenth grader? Yes. Still there is more. They have become a vital part of KMHS. They are helping mould the future of the school and determine its progress and productivity.

Senioritis is already beginning to affect the majority of Juniors. They are just breezing along through the school year waiting for the day when they will be seniors. But this is a short sighted view of their role. Next year they will be the leaders of the school. The student body will be looking to them for guidance and direction. They should be preparing now for that responsibility.

They should be preparing now for that responsibility.

The four years at KMHS are rapidly drawing to a close for the Seniors. Many sigh with relief, some are happy, some are sad. Some now have feelings of uncertainty and apprehension as they are on the verge of stepping out into life to face the responsibilities of adulthood. Some will find jobs while others will plan to continue their education. In either event, they will be on their own. From here on, all decisions should be weighed very carefully as the future of each may hang in the balance.

Wanda,
Well what
does a punk freshman
say to a Punk Senior
Except its been great knowing
you almost 15 years And knowing
100 more. Good Luck And best of
wishes to you and best of luck with
Danny and be good and stay out of trouble
because there is enough for everyone to get
into. So when get old and move down South
remember me and my big mouth and also all the
fighters was at into.

Dedication

We the 1972 graduating class of Kings Mountain High
School
would like to in this way
show our appreciation to two of the most
deserving teachers on our faculty,
who go out of their way not only in the interest
of their student's education
but also as a trusting friend

Mrs. Juanita Goforth

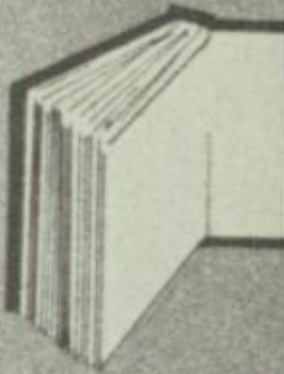

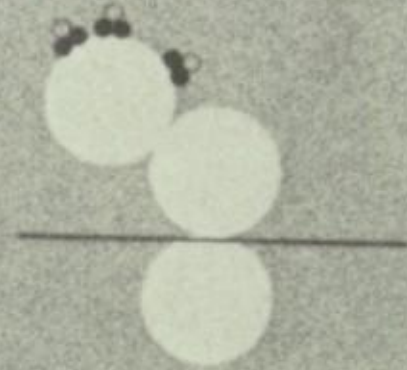

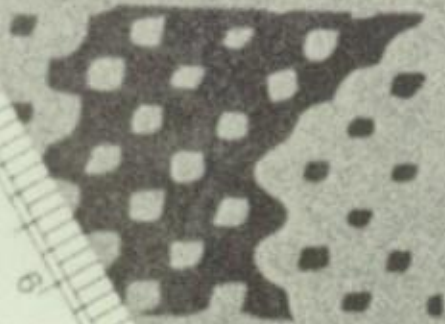

interested in getting the student to realize his potentials and to use them to the best of their abilities. Through their consideration and devoted interest in our lives, we will always remember as top teachers and friends — Mrs. Juanita Goforth and Mrs. Brenda Neal. To them we say thank you.

True liberty consists in the privilege
of enjoying our own rights, but not in
the destruction of the rights of others.

God, grant us the courage to change the things we can change, the serenity to accept those we cannot change, and the wisdom to know the difference — but God, grant us the courage not to give up on what we think is right — even though we think it is hopeless.

Bessmer City

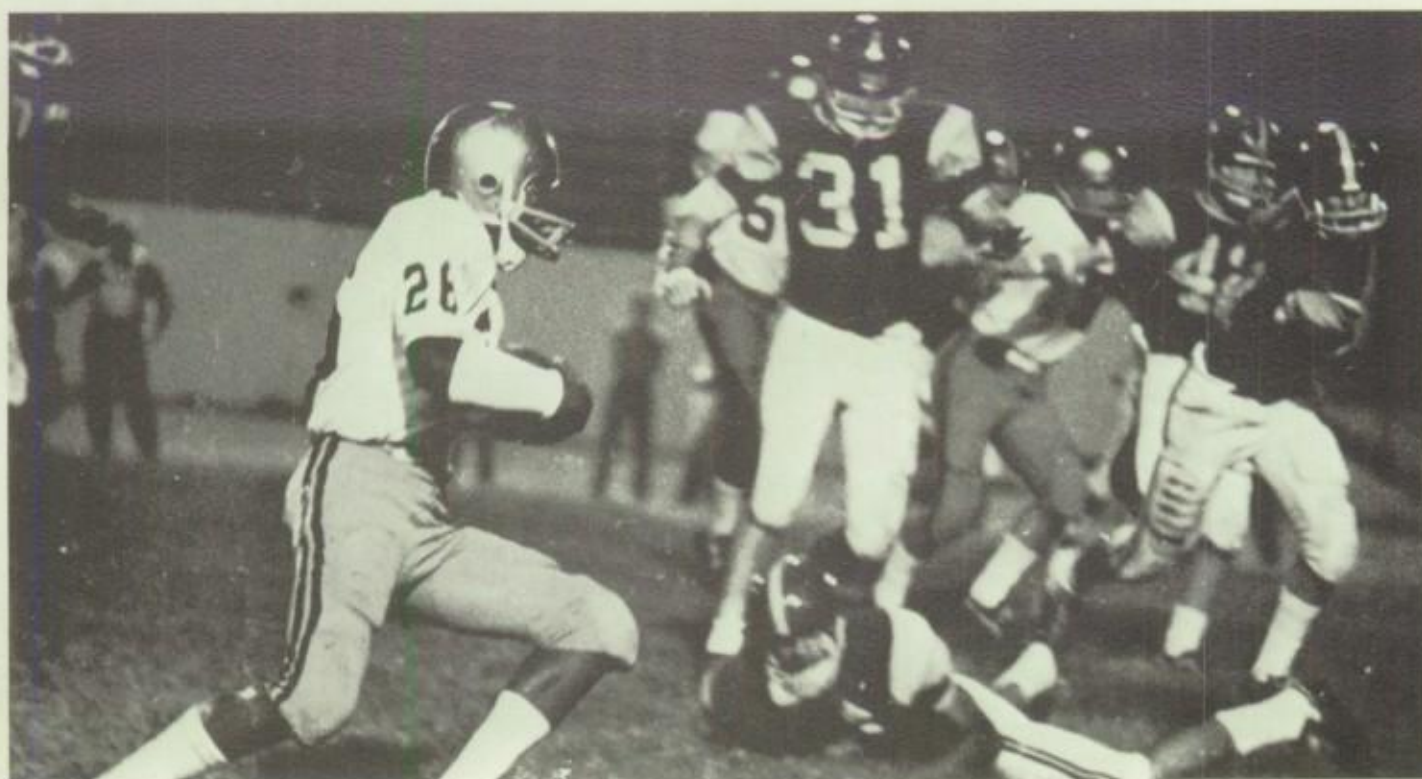

A 24-6 victory over Bessmer City inaugurated the 1971 season for the Mounties'. The nonconference affair provided a glimpse of the future with an offense lacking the consistency expected, but up by a close-knit defense giving yards unwilling to all opponents.

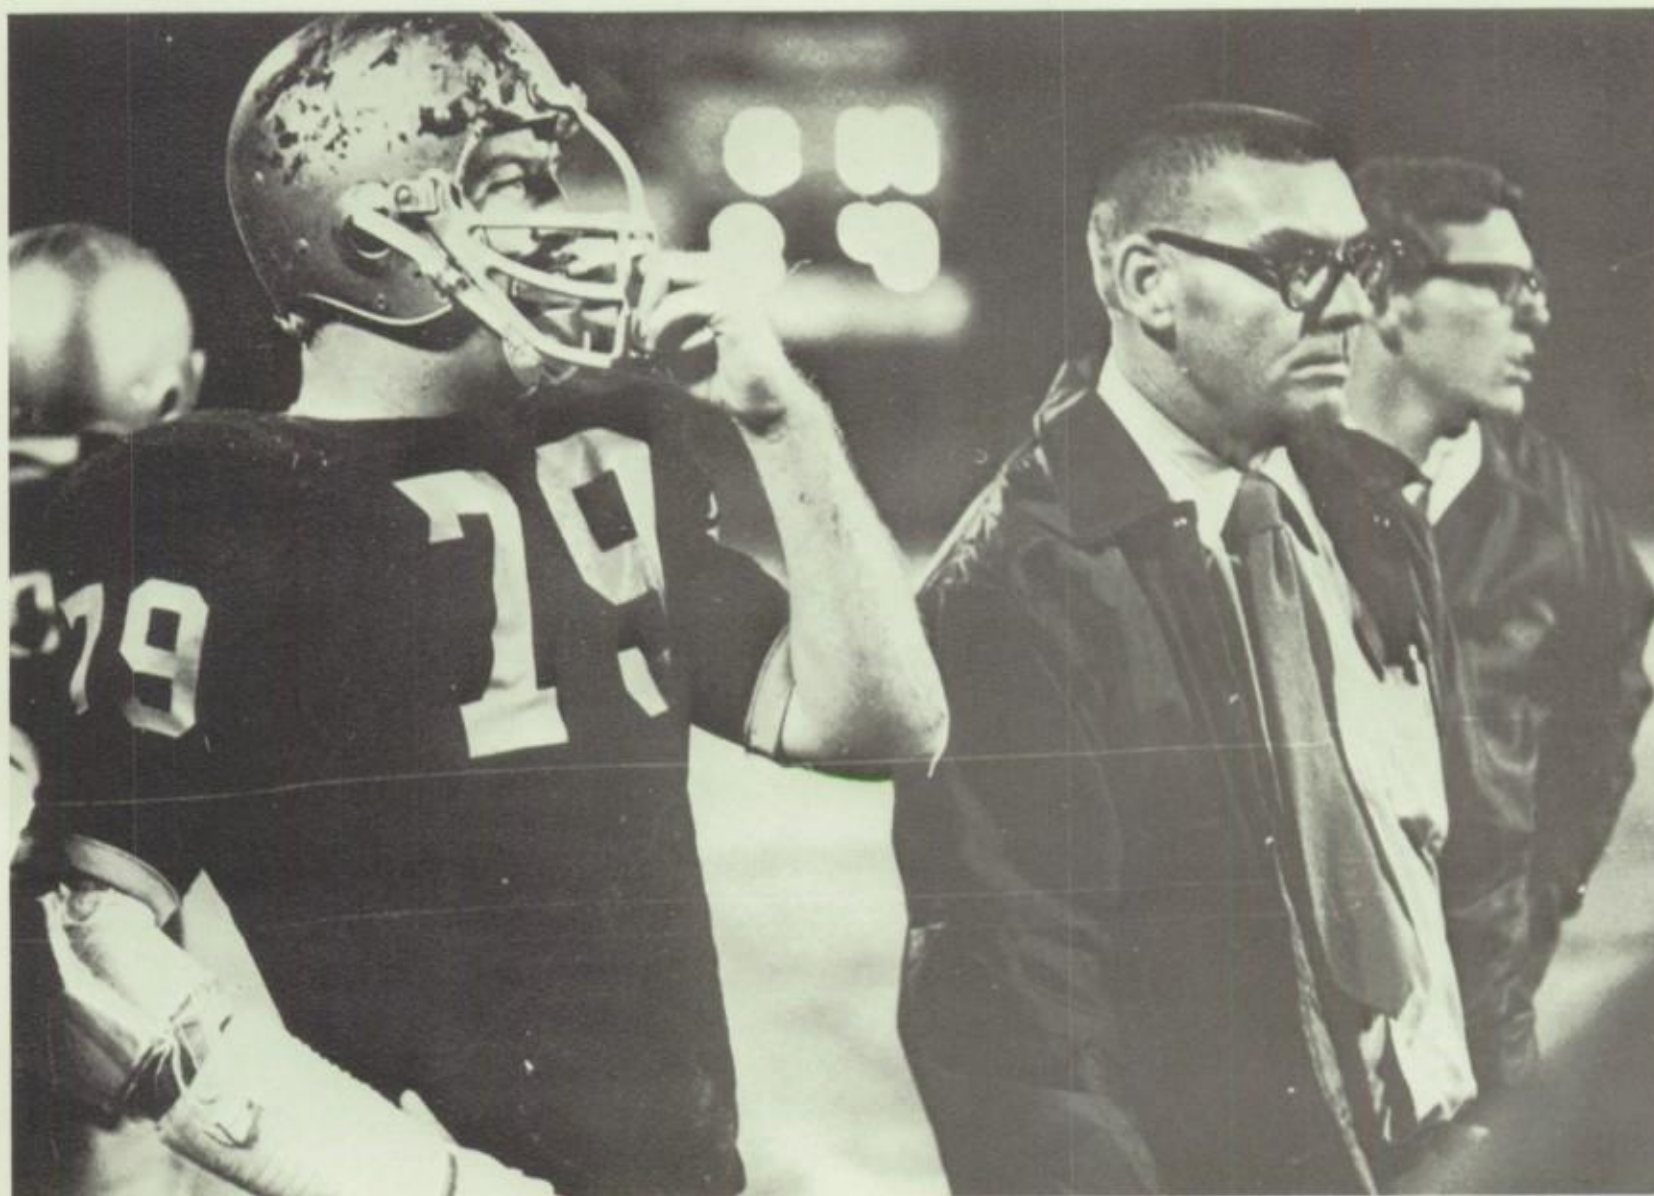

The Mountaineers had 250 yards rushing plus 62 more yards passing as senior quarterback David Bolin hit on 5 of 10 attempts and a TD. Marshall Logan was the big gun for KM with 3 TD's and a 88 yards rushing. Senior halfback Chris Blanton collected 83 yards to put him second in yardage on the ground. John Grier accounted for the other 6 points on a TD plunge from the 7 yard line.

Linebackers Grier and Mark George, guards Alfred Ash and Dale Russell and tackle Jake Bridges showed strong points in a defensive effort allowing only 49 Bessmer City yards as well as causing 4 Yellow Jacket turnovers.

With a 12-0 halftime lead, two other fourth period TD's rounded out the Mountie scoring. Bessmer's only points came with 3:13 left in the third quarter.

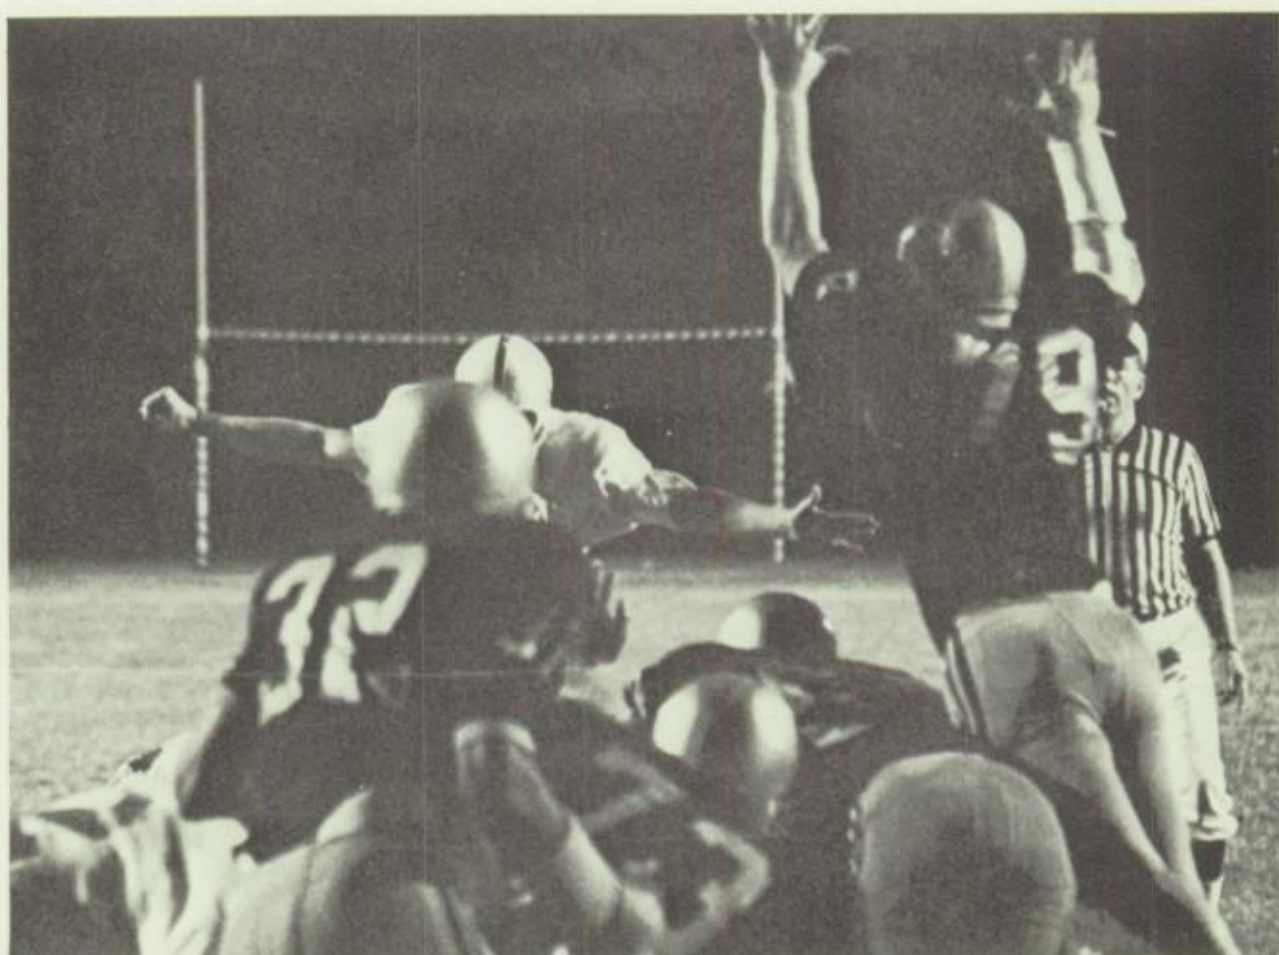

At Chase

Chase High set the stage for the first Southwestern Conference game of the season. Early Mountie scoring by Grier on a 77 yard run and Logan on a one yard dive gave the Mountaineers a 13-0 lead with John Bridges first "Pat" of the new season. A safety for Chase made the score 13-2 at halftime.

With the second half, the Mountaineer offensive blocking stalled as the Trojans stormed back. The passing of Chase quarterback Tony Fowler added the offensive punch Chase needed. The Kings Mountain screeched to a halt with only 13 yards in the second half.

The lack of Mountie blocking and the passing of Chase prove the deciding factors as the favored Mounties' record was dropped to 1-1 and 0-1 in the SWC.

East Rutherford

Two from behind TDs and a sparkling Mountaineer defense provided Kings Mountain with their first conference victory of the '71 season. The Kings Mountain offense still showed signs of inconsistency although 300 total yards were compiled during the action. Despite the tremendous yardage, the Mounties couldn't put the points on the board. Penetration the East 15 yard line seven times, only two were turned into touchdowns. Having spotted East a 6-0 lead on a 65 yard interception to paydirt, the K.M. offense scored on a 54 yard pass play from Bolin to split end Gerald Owensby to provide a 7-6 halftime lead. The final TD came in the fourth period as fullback Grier raced 59 yards to a TD. Bridges hit on 2 extra points to add up to a 14-6 victory and a conference record of one and one for K.M.

At R S Central

The outstanding performance of the year for Kings Mountain came with a 26-6 victory over the Hilltoppers of R.S. Central. The Mountaineer rushing game compiled an awesome 316 yards, high for the year, as the defense played another spectacular game by allowing only 139 yards total offense for R.S. Central.

Fullback Grier led the Mountie scoring with 2 touchdowns as Bolin and Blanton added one each. Bridges put two shots between the uprights to round off the scoring.

Grier the leading ground gainer scored on runs of two and eight yards Bolin hit paydirt from 20 yards out, and Blanton made the longest run of the game, a 45 yard TD gallop.

The only R.S. tally came in the second quarter on a 14 yard pass play. This cut a 7-0 Mountie lead to one. However, Bolin's run stretched the lead to 14-6 at halftime.

The win advanced the Mountaineer record to .500 at 3-3.

Shelby

An 8-8 tie with arch-rival Shelby set the score for one of the best games of the season for the Mounties. Oddly enough, the seventh game of the season was played over a 3-day period, as an electrical storm washed out the rain drenched affair at the half. Two touchdowns in the first half, and a scoreless deadlock in the second provided all the scoring. An unofficial sudden death playoff took place in case either team needed the game at the end of the season.

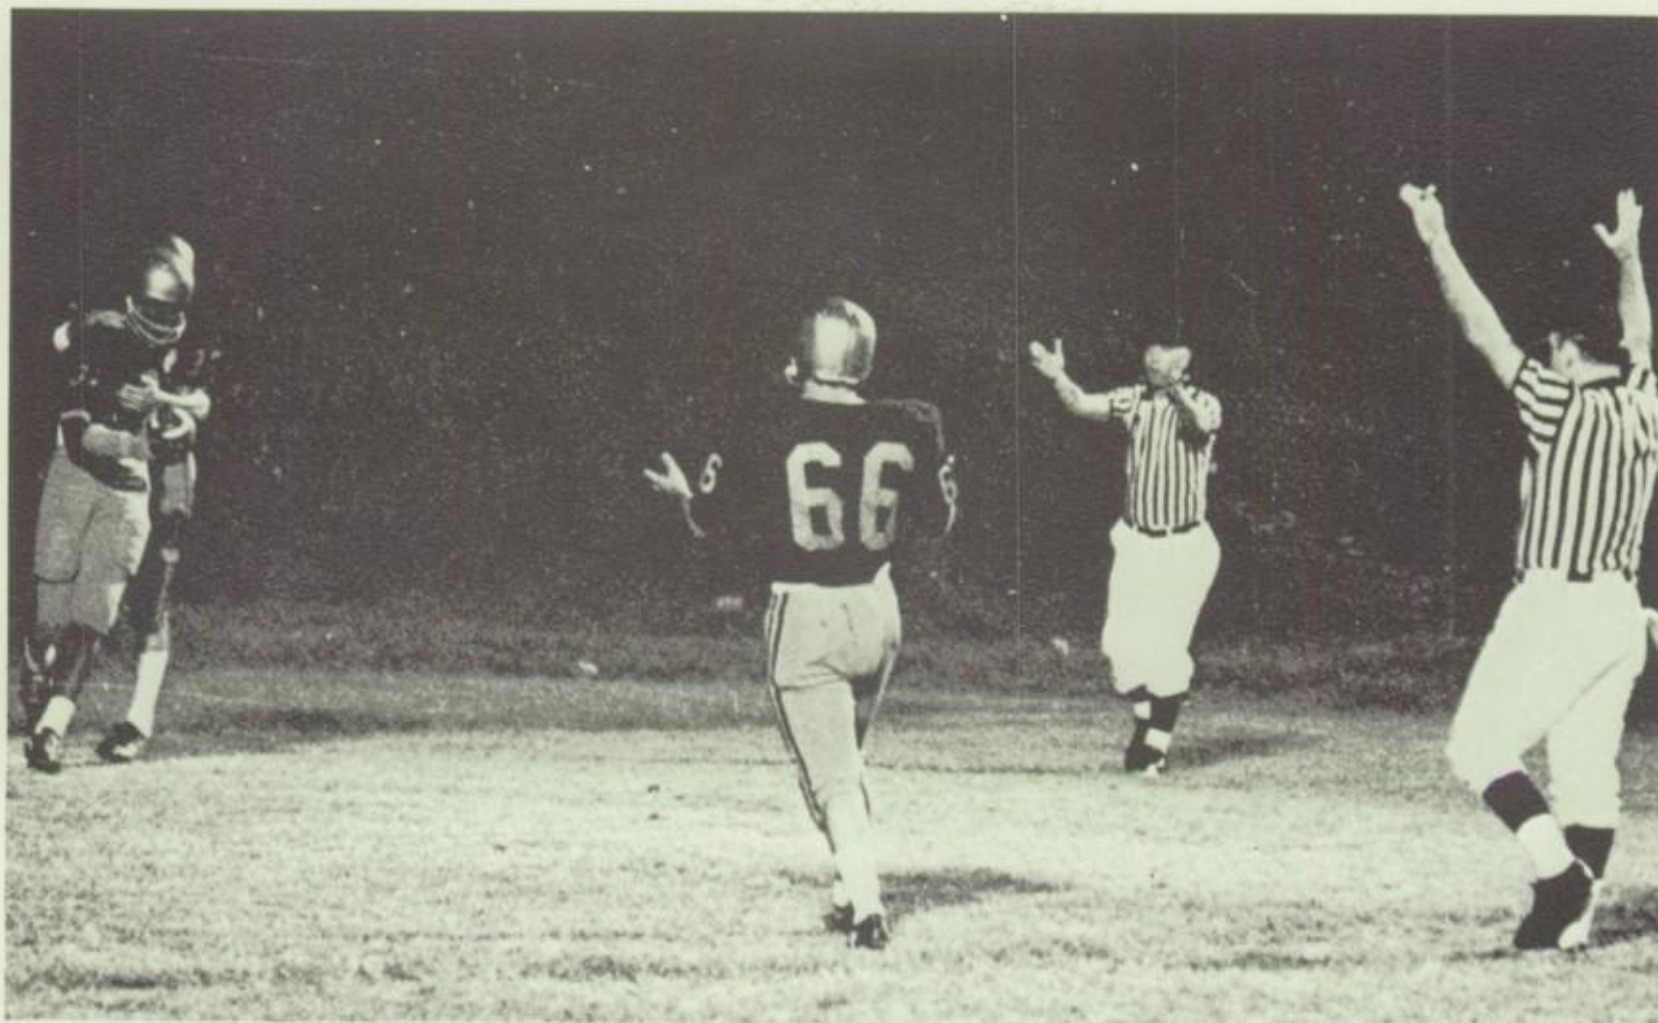

Shelby's touchdown came late in the first period on a one yard plunge and a two point conversion followed. Until the ten second mark in the first half, the ball stayed pretty well within the 20's. Then, however, a run and a five yard touchdown pass from Bolin to Blanton ended the half. On the two point attempt a deflected pass was pulled in by Logan to knot the score.

In the Monday night action, the Kings Mountain offense was held to no first downs. The Mountaineer defense, however, rose to the occasion by holding Shelby as they caused two fumbles and one turnover on a loss of downs.

The Mounties accumulated 131 yards total offense as opposed to 248 for the Lions. The conference record for Kings Mountain went to 2-3-1. The tie was to eventually keep the Shelby squad out of the South Western Conference playoffs by one-half game.

At Cherryville

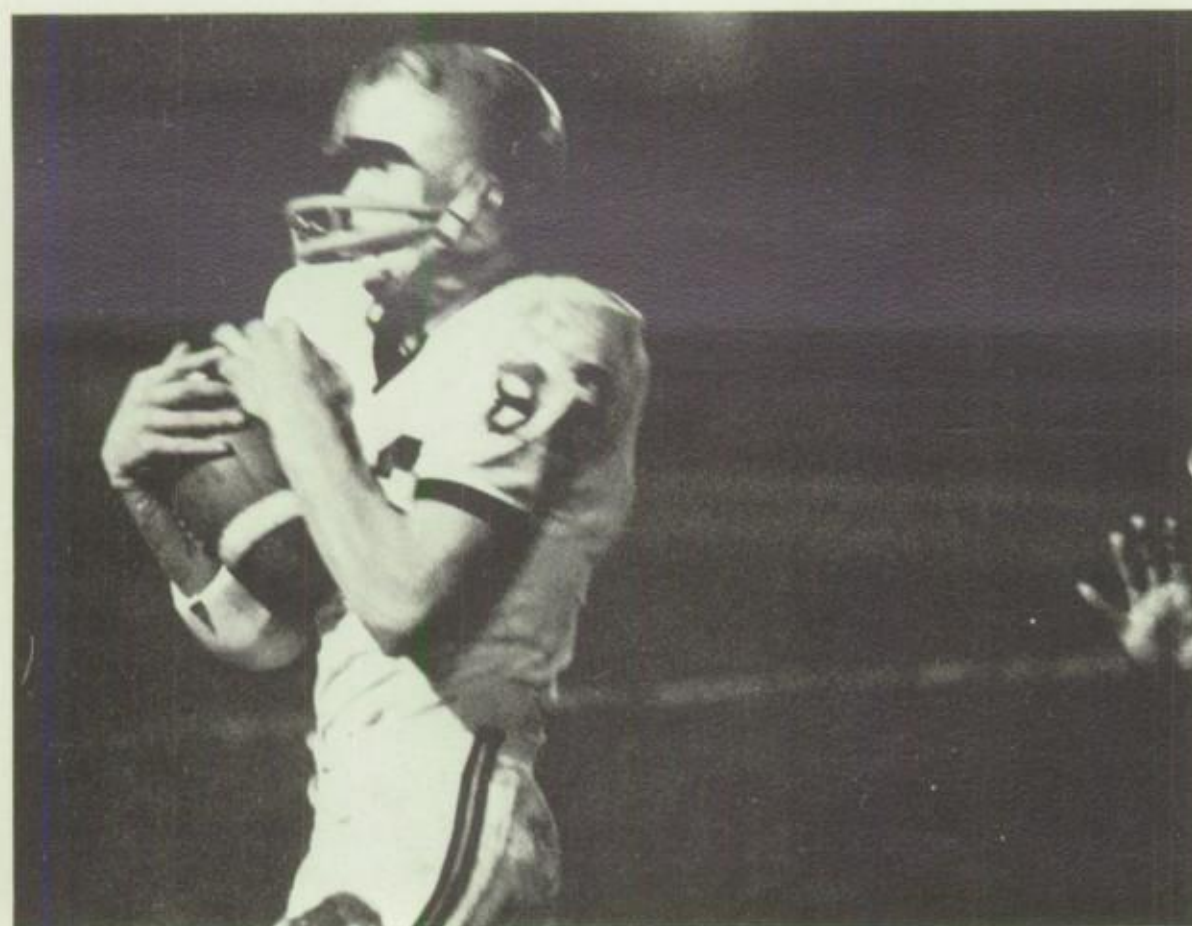

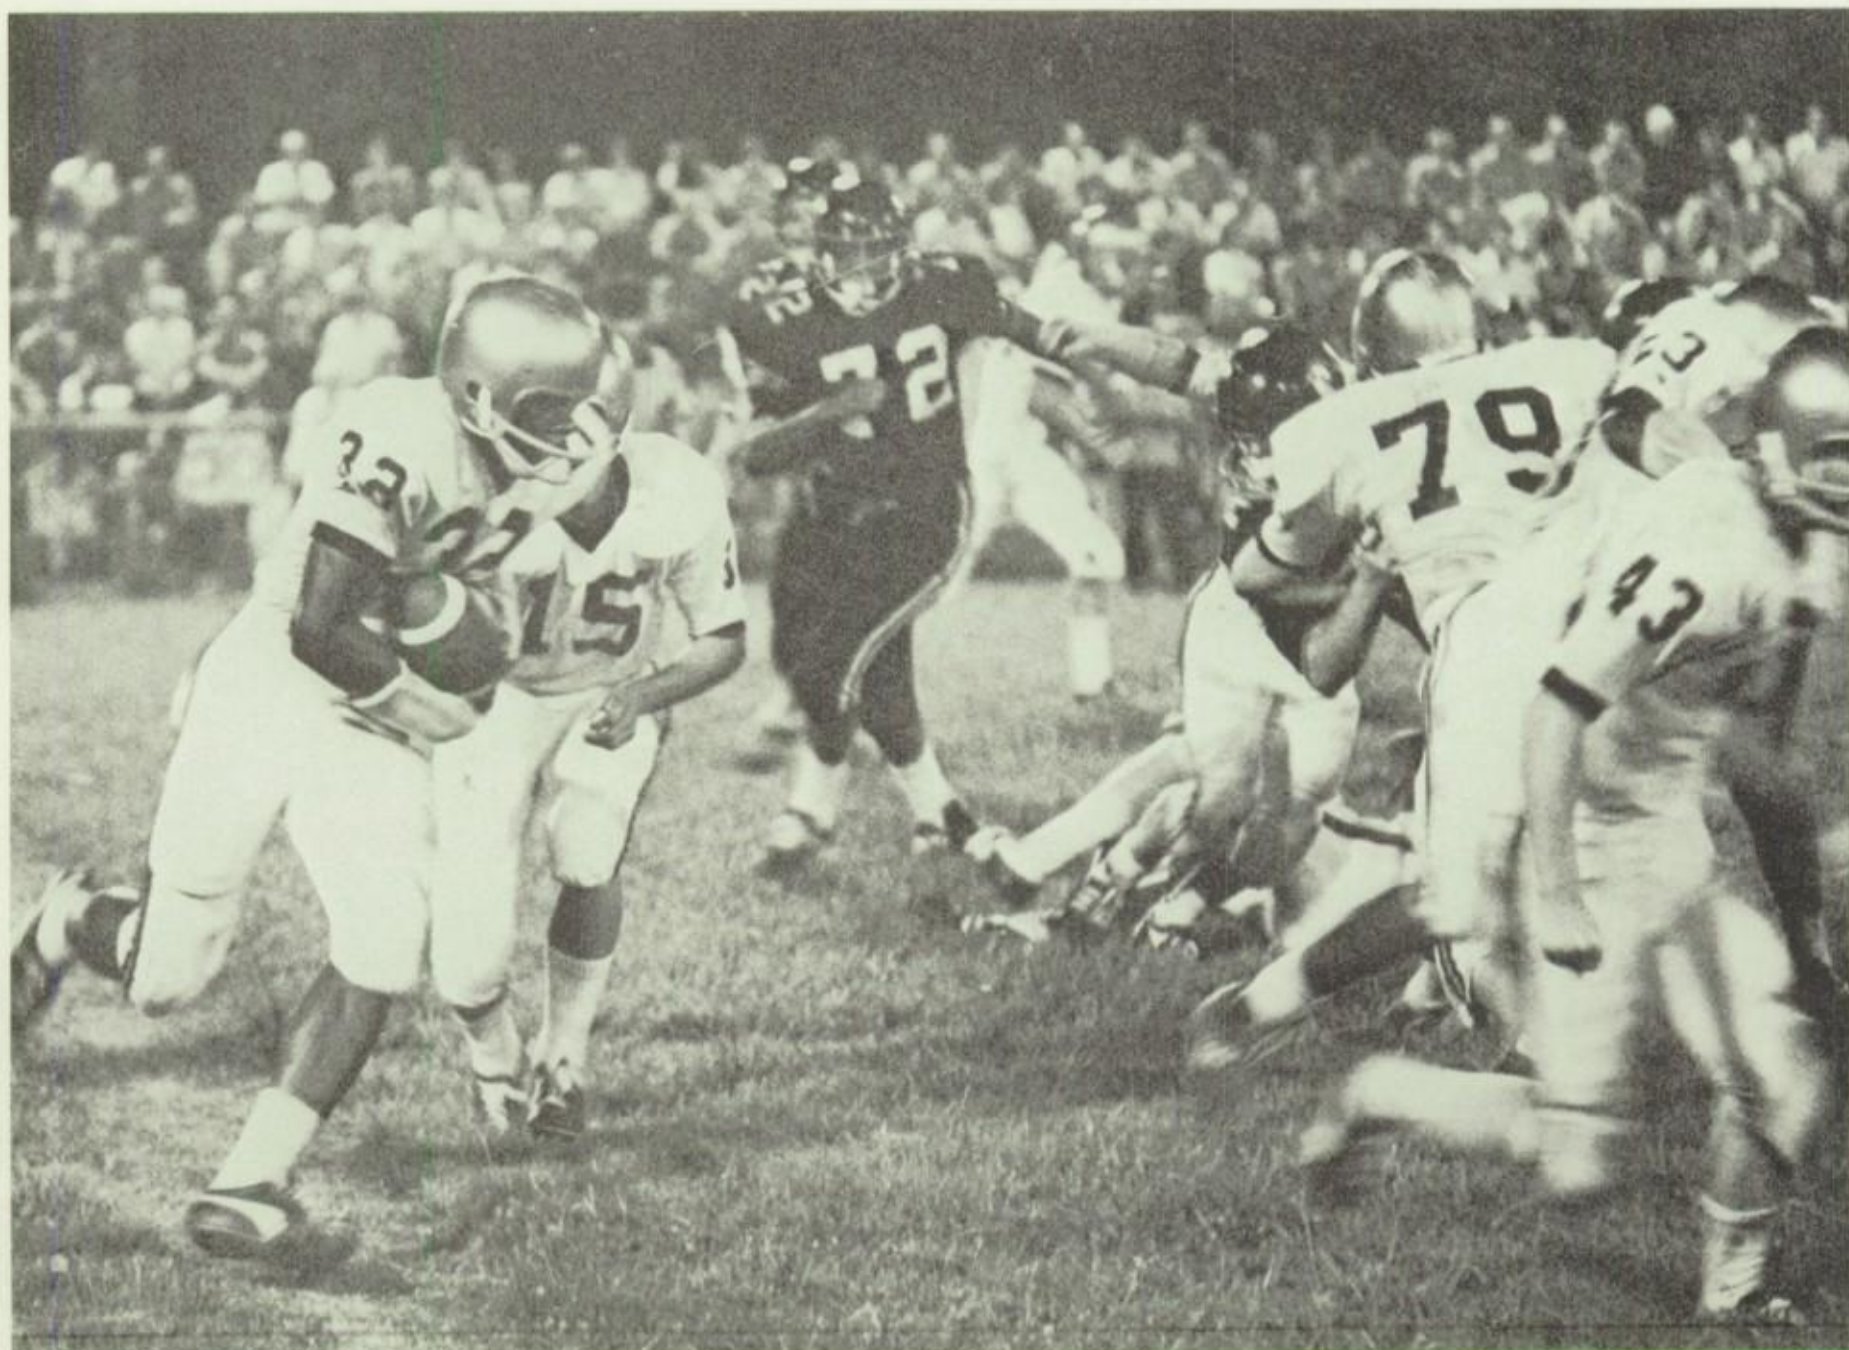

A last minute field goal upended the Mountaineers in their fifth contest of the season. Having spotted Cherryville a 12-0 lead in the first half was coming to an end. The ensuing kickoff and galloped 85 yards for a TD. The PAT was wide and the score stood 12-6 at the half.

At the second half opened, the teams had an exchange of punts resulting on the Kings Mountain one yard line. On the first play from scrimmage went 99 yards to knot the score. Bridges put the Mounties in the lead with a true boot 13-12.

Kings Mountain appeared to have the game wrapped up until Grier fumbled on the Mountie five. After a couple of runs and an incomplete pass, the successful 3-pointer was kicked.

Grier led the rushing attack with 120 yards in 11 carries. This, however, was not enough to offset the Ironmen's passing.

South Point

An outstanding defensive effort was the high point of the 20-0 loss to Southpoint, a team averaging well over 40 points per game. Scott Crawford was held to his low output of the season of 151 yards, and one touchdown. The loss dropped the Kings Mountain record to 2-2 overall.

The punting of Chris Blanton kept the Red Raiders deep in their own territory for most of the night. The Kings Mountain offense was held to 19 yards rushing and only 73 yards in the airways as Bolin hit on 7 of 16 with no interceptions.

The eventual WNCSSAA Champs ran for 230 yards and passed for 89 more or 5 of 10 aerals. The Kings Mountain offense caused 5 Southpoint turnovers but the offense could not take advantage of the breaks.

At Crest

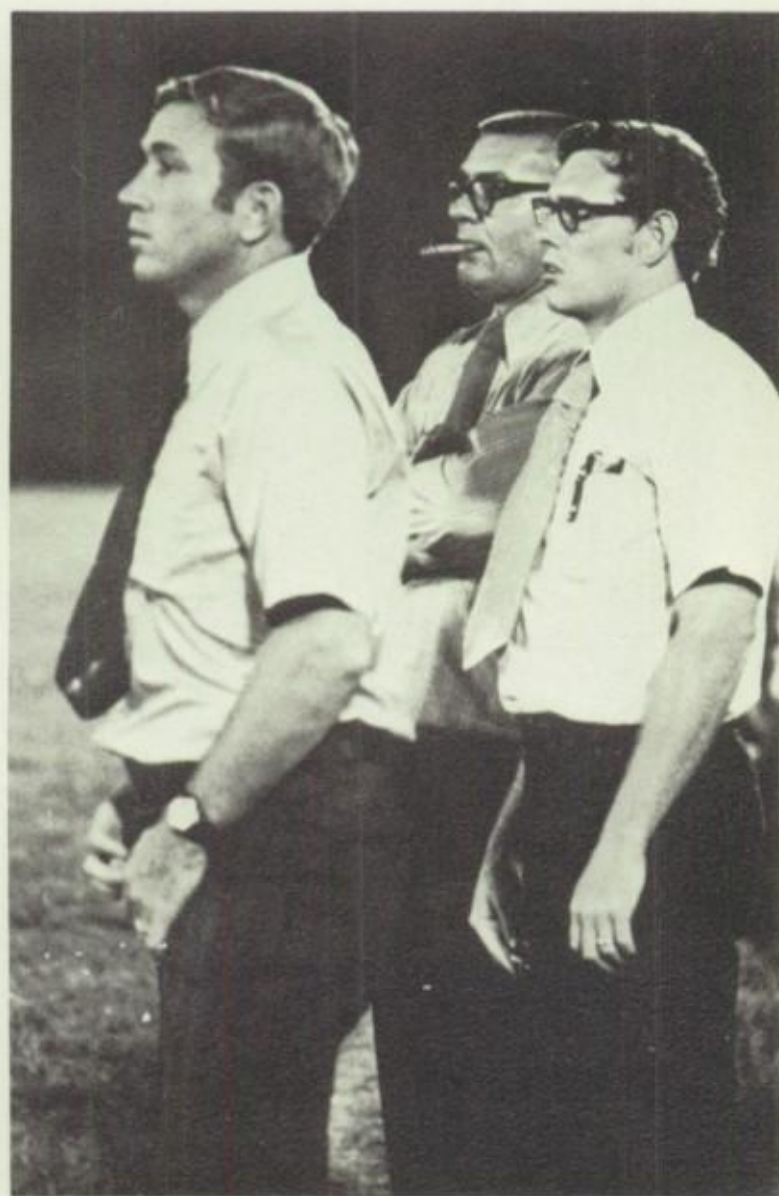

Despite 222 yards, the Mountaineer offense was stopped mostly between the twenties. 85 yards in penalties played a major part as well as a stubborn Crest defense causing a fumble and two interceptions. Another sparkling performance for the Kings Mountain defense preserved a .500 mark for the Mounties. Allowing only 158 yards total offense and picking off two passes, the defense was again the Mountaineer strongpoint.

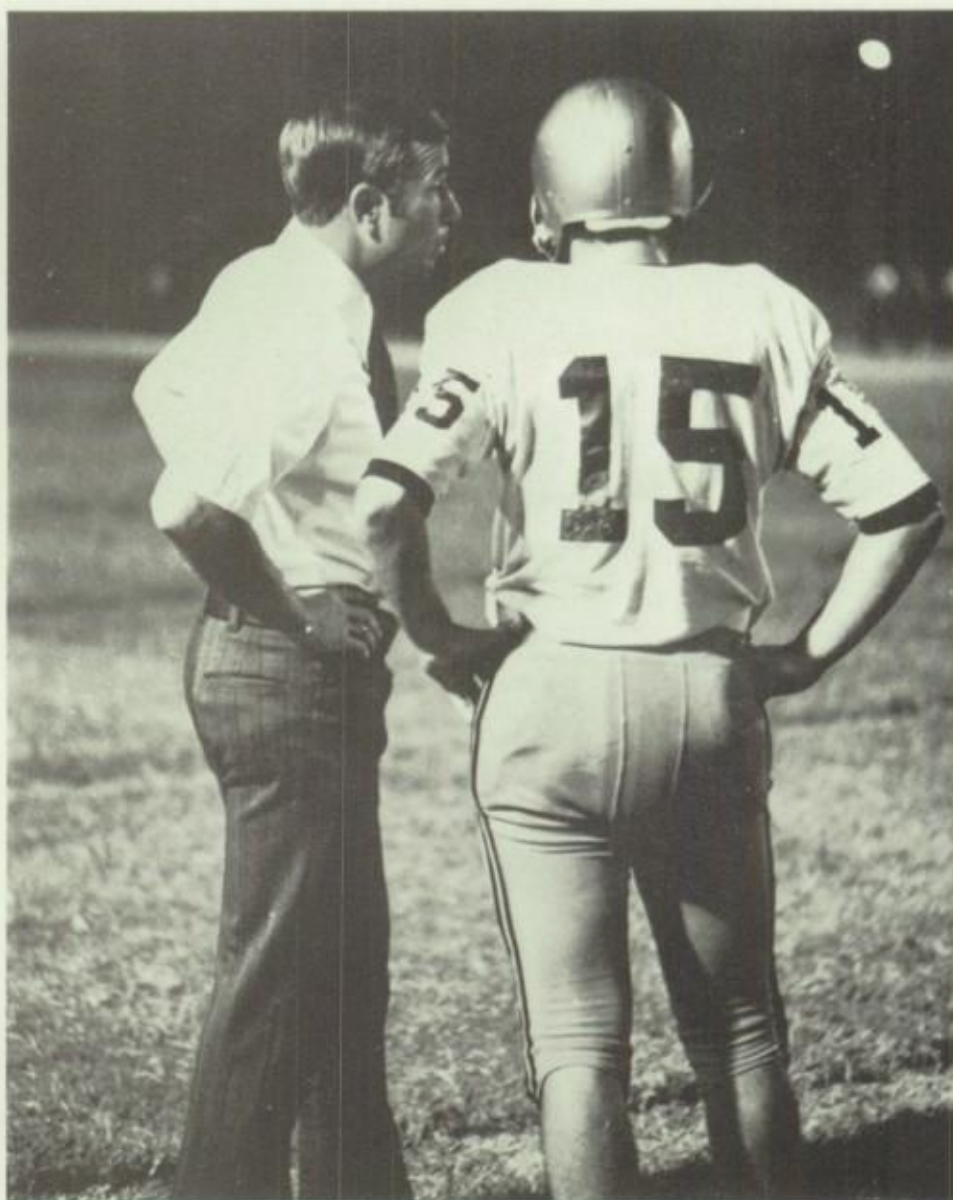

The rushing offense of Kings Mountain was led by halfback Blanton with 80 yards. Logan and Grier also, added 65 and 54 yards respectively. Bolin was 0 for seven through the airways although Crest hit on seven of 15 tosses for 50 yards.

The Kings Mountain defense, led by Mark George and Dale Russel, was threatened only by a last second field goal attempt which failed and a tie was evident.

For six quarters, the Mountie offense had been held scoreless as inconsistency showed through.

Burns

A 27 point first half led the Mountaineers over the Burns Bulldogs. Again, the Mountie defense played a major role by collecting a second straight shutout as well as scoring two touchdowns. An offense committing no turnovers gained 209 yards during the game.

Mountie scoring opened with 4:20 left in the first quarter as Marshall Logan blocked a punt and returned 32 yards for a touchdown. The offense then took over. A 39 yard completion to Blanton from quarterback Bolin hit paydirt in the second quarter. Also in this period, Grier rumbled over from five yards out. A Bolin run and Bridges' PAT added three more for a 21-0 lead. Near the end of the half, Danny Rhodes picked off a Ronnie London pass and galloped 35 yards for the final points.

During the second half, the second and third units played the majority of the time and allowed most of Burns' 227 yards. The Mountie record advanced over .500 to 4-3-2 with only one game left.

Lincolnton

The Kings Mountain High season was closed out with a 43-18 loss to Lincolnton. The mighty Wolfpack chopped the usually strong Mountaineer defense with 384 yards on the ground and 94 more through the air. The Mountie offense gained only 133 yards on the ground, but Bolin added 120 more through the air despite hitting on only three of 12 passes.

Mountie scoring came in the 4th period as Logan scored from three yards out, Grier from three, and Owensby hauled in a seventy yard pass play from Bolin for the Mounties final touchdown.

A defense, strong season long, gave up 478 yards, seven TDs, and six extra points to end a fine season. The final loss dropped the season record of the Mounties to 4-4-2.

THE MOUNTAINEER

VOL. XXXIX

Kings Mountain High School, Kings Mountain, N. C.

November 24, 1971

Key

One of the most outstanding clubs in the high school is the Key Club. It is composed of young men in the school community who are chosen on the basis of their leadership and service to the school. This group is responsible for the school's annual bonfires. The Key Club is sponsored by the local Kiwanis Club of Kings Mountain.

Drafting

DRAFTING OFFICER: Vice Pres: Neil Hutchins, Secretary: Butch Campbell, Treasurer: Doug Sellers, Pres: Keith Roper, Parliamentarian: Adrin Beam, Editor: Bucky Wheeler.

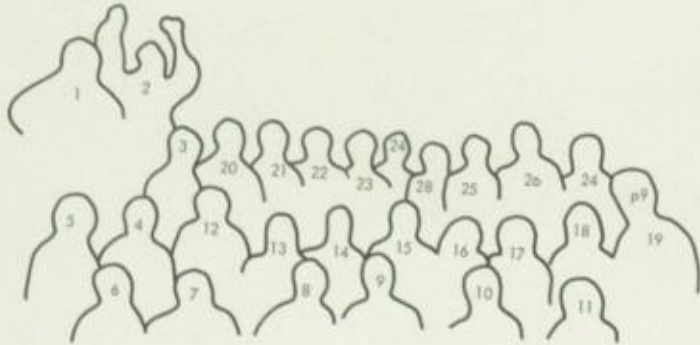

The Drafting Club was organized to supplement the regular classroom work. This club has done many worth-while things this year. One of their projects was to raise money for a needy family at Christmas. This money was raised by building a dunking stool in the student commons. Students gladly donated twenty-five cents to dunk their "favorite" teacher.

As we are quickly approaching the end of another school year, we pause momentarily to look backward and reflect upon our many experiences at KMHS. Although it now seems that the year has literally flown by, there were times when we could hardly wait for that 3:16 bell to ring.

Wanda,
This is it. The
End. Family Life
was great wasn't
it? Good luck
to a great friend.
Love

Bobby Kelley

It seems that there was a countless number of ball games with many dreary days of practice in between. We had some winning teams while others did not do so good, but all were representing our school with each doing its best.

Our teachers have also done their best in trying to pass some of their knowledge on to us. They have taught us much of the academics, but they have also taught us much about life. Now it is up to us to use that knowledge and apply it to our own advantage.

We have had the opportunity to form some very close friendships. As the years pass, some of these friends may drift apart, but the friendships will be remembered and cherished as they were such an important part of our lives at KMHS.

Wanda,
We've really
missed you in it's
come, but it's
been great in
and tomorrow.
of luck. Sheila Smith

It is fortunate that we have been able to learn not only from attending classes, but from living and working together. Each member of a class had some influence upon the lives of every other member. Although some may have had a more important role than others, each played his part.

We wish we had answers for all the questions and solutions to all problems, but we don't. In this time of confusion, strife, and conflict; we must all work together. We must not strike out against each other when there is a difference of opinion.

Violence has come to be regarded, by some students, as an acceptable way to achieve their goals. The right to dissent is not the right to react in violence. Violence must cease because it is wrong. It undermines the foundation of a just social order such as we desire at KMHS.

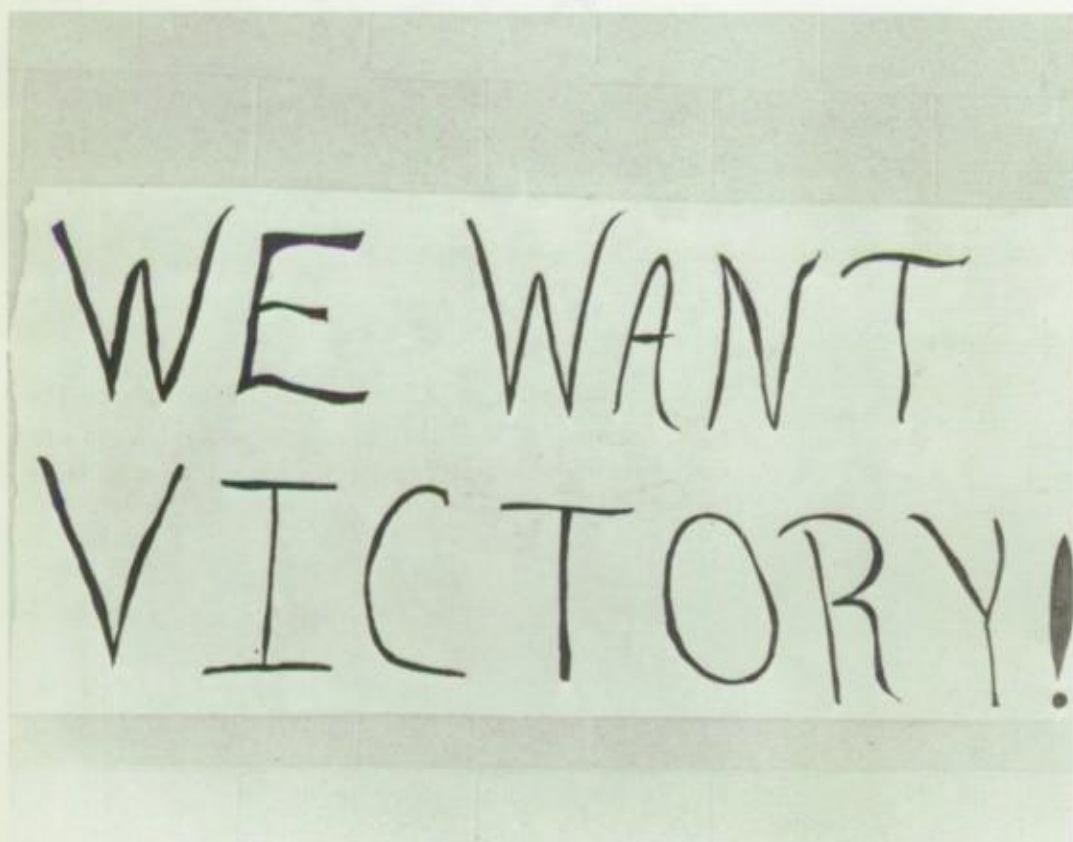

Wanda,
We have
missed you in Co.
we sure had some
fun down there. But
it is almost over. Be
good and I am sure
your dreams will
come true. Lots of love,
Dianne Smith

Our school needs an environment of trust, involvement, and participation between the students and the administration. If we as students and teachers let KMHS become so out of date, lose touch with reality, and thus become incapable of responding to the needs of the students, then we have destroyed her purpose for existence.

Wanda,
 It sure has been
 nice knowing you all these
 years. You are a very nice
 sweet girl. Nope you have
 the happiest in the future
 a friend always
 Teresa

Hopefully you will be able to profit from your years at KMHS. Each year you are faced with a little more responsibility. Realizing the responsibilities and accepting them, are signs of maturity.

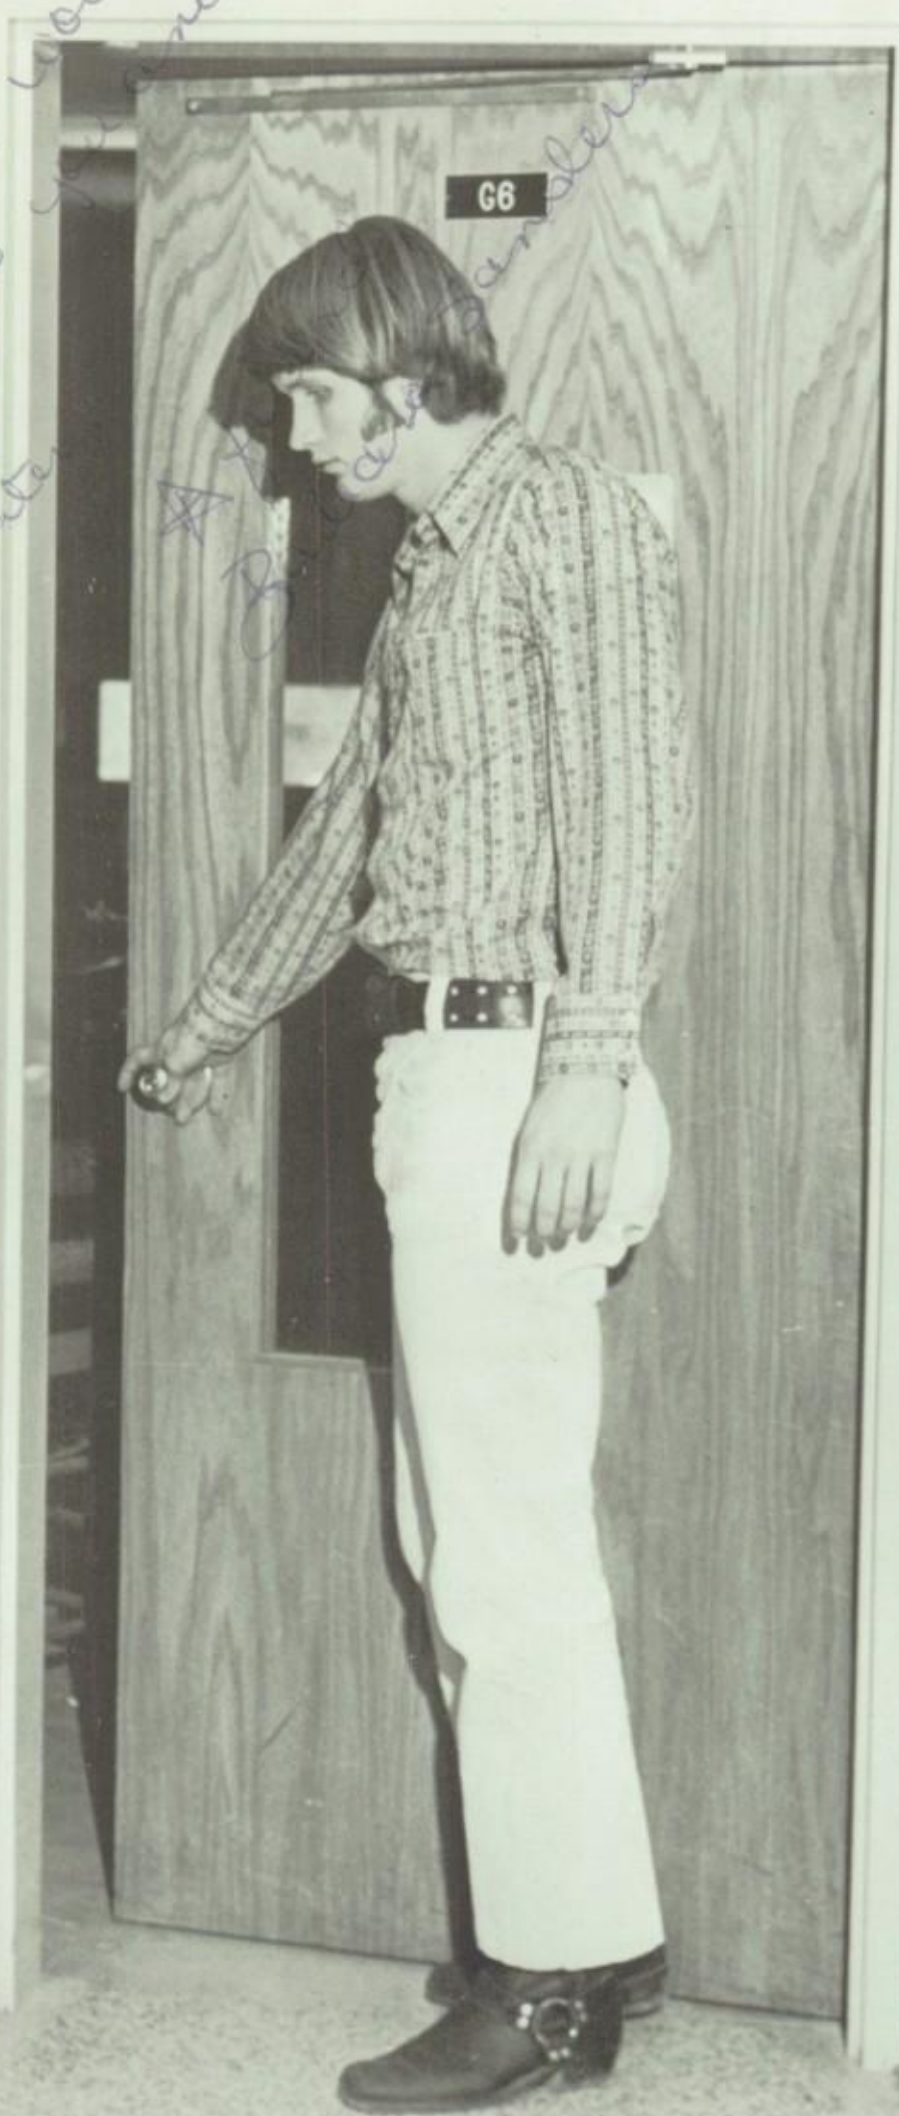

Wonder,
Knowing it to
be and hope
it will be in
the future

What you learn at KMHS will be with you the rest of your lives. Graduating from KMHS is one step up the ladder of success. Where you go from here is your decision.

Vanda,
 well the year
 has already come and
 gone. I hope you the last
 of luck in all the world
 Best wishes to
 boyfriend. See you later
 Barbara

MILESTONES 1972
 Editor's Exit:

Here is the book. Let the pages mean to you what you want them to. Enough has been said now since this year is still fresh in your minds. But maybe years from now you may find your '72 MILESTONES and relive some of your past memories and dreams. This will be a time for some quiet talk, a few laughs, and maybe some tears. If so, then the many hours of work that have gone into this yearbook have not been in vain.

At this time I would like to thank all the people who have helped and inspired me through the year. Especially to Lem Lynch of the Kings Mountain Mirror for his excellent football pictures; and to Kindrew Lascille for his words of wisdom. To J.B. Edwards, Charles Hunter, and John James of Hunter Publishing Company; and to my understanding teachers. To Mr. I.G. Alexander and Mrs. McWhirter for their devoted work.

To these people and many more I shall always be grateful. But most of all, thanks to you, the student, because without you none of this would be possible.

Wanda,

Even though I don't know you too good yet, I like you a lot. Because you are a sweet person and a lot of fun to be around. "You're a nut, just like me!"

You're the type of person people like people like you. You're are fun to be around.
